Report Name: Research Expenditures (grid or dossier)

Path: Patriot Reporting > Shared Reports > Research > Research Expenditures

The Research Expenditures report pulls data from Banner. It provides expenditures by fund/grant with optional prompts to query based on Fiscal Year, Transaction Start/End Dates, L3 Division, Principal Investigator, Title, Sponsor, and/or Status (select Active, At-Risk and Closed for quarterly reporting). Select "Sponsored" only under the Fund Grant Category in the filter panel.

The report shows direct, indirect and total expenditures by fund/grant. It includes descriptive data related to the fund/grant.

Report Name: Research Awards (grid or dossier)

Path: Patriot Reporting > Shared Reports > Research > Research Awards

The Research Awards report pulls data from Banner. It provides award amounts by fund/grant with optional prompts to query based on Transaction Start/End Dates, L3 Division, Principal Investigator, and/or Status (select Active and Closed for quarterly reporting). Select "Sponsored" only under the Fund Grant Category in the filter panel.

The report shows increment amounts (based on time period selected) and inception-to-date amounts on the fund/grant. It includes descriptive data related to the fund/grant.

Report Name: Research Proposals (grid or dossier)

Path: Patriot Reporting > Shared Reports > Research > Research Proposals

Chapter: Proposals

Page: By Proposals

The Research Proposals report pulls data from RAMP. It provides proposal data by proposal number with optional prompts to query based on Submit to Sponsor Start/End Dates, Proposal No., L3 Division, Principal Investigator, State Category (select Funded, Rejected, and Submitted for quarterly reporting), etc.

The report shows proposal amount requested by proposal number. It includes descriptive data related to the proposal.
