

**Credit Split Reports: Research Proposal Credit Split, Research Award Credit Split**

**Accessing Reports**

1. Enter the following url: <https://microstrategy.gmu.edu/>
2. Enter NetID = NetID (jdoe22, for example)
3. Enter Password = LDAP Password
4. Click "Sign in"

**Report Name: Research Proposal Credit Split (dossier)**

**Path: Patriot Reporting > Shared Reports > Research > Credit Split**

The Research Proposal Credit Split report pulls data from RAMP. It provides credit splits by proposal at a summary level, credit splits by proposal with more detail and credit splits by recipient name. The dossier has optional filters to query Proposal Submit to Sponsor Start/End Dates, Recipient Name, Proposal Number, Proposal State (Funded, Rejected, Submitted), L3 Division, L6 Lead Unit Org and/or the PI.

The report shows credit split percent by proposal number or all splits by recipient. It includes descriptive data related to the proposal.
